How to Submit Your Earnest Money Payment Through Tidal Money.

Congratulations on finding your new home! Your Real Estate Agent has chosen a secure, convenient way for you to submit your earnest money payment through Tidal Money.

Tidal Money is a secure real estate payments platform that uses bank-grade security protocols to ensure your payment information is safe.

The process is simple!

Your Agent or Title Company initiates the payment request through Tidal Money's secure portal.

You receive an encrypted email from Tidal Money, with a link to create a profile and submit your banking information.

Once your payment is completed, you and your Agent will be notified of successful payment, and you will receive a receipt.

For additional questions, please contact your Real Estate Agent.
